## MORGAN ORTHODONTICS DONATES \$10,000 TO WAXAHACHIE CARE

Friday, December 13, 2019, Dr. Laura Morgan and members of the top-rated goMO team visited Waxahachie Care. goMO Girls volunteered their time by packing meals for WISD's Night of Wonder hosted by Waxahachie Care and several local Waxahachie churches. The group put together over 200 meals bags for families in need over the holidays.

Waxahachie Care assists over 400 individuals in the local community each month with meals and financial assistance. Dr. Morgan was so touched by their mission and outreach that she decided to donate \$10,000 to aid their operation.

Funds used will go to updated their local facilities and aid in caring for thousands of Waxahachie residents. Feel compelled to make a difference? Reach out to Kim Holman at Waxahachie Care and schedule a time to volunteer in their food pantry or during one of their events.
